WANCO METRO MESSAGE SIGN POWERED BY ATS TRAFFICLOUD®

ALL TRAFFIC
SOLUTIONS
™

Compact portable message signs for high visibility with a smaller footprint.

TraffiCloud-enabled for easy remote access.

- Energy efficient and superior performance
- Full-matrix message display available in two sizes
- Optional color display
- Preprogrammed, custom and MUTCD graphics
- Easiest programming in the industry

The Wanco Metro Message Sign powered for TraffiCloud features a full matrix of high-efficiency LEDs for reduced energy consumption, superior performance and outstanding legibility. The display can present messages as text, graphics or a combination of both. Pre-programmed messages include MUTCD graphics and bold arrows.

The compact Metro Message trailer is easy to maneuver and deploy, particularly in urban areas where traffic is heavy and space is limited. For optimal positioning, the display cabinet rotates independent of the trailer, and its height is fully adjustable with a hand-operated winch. Features convenient cloud-based programming in TraffiCloud.
