TRAFFICLOUD: WEB-BASED DEVICE AND DATA MANAGEMENT

AllTrafficSolutions.com

Save Time and Maximize Resources with TraffiCloud.®

TraffiCloud is the secure, web-based platform that makes it easy to manage all your traffic data and safety devices remotely using any internet-connected device.
1 Save time by remotely accessing, monitoring, and programming all connected devices on a central platform.

2 View dashboards and generate ready-made PDF reports of all collected data or just one traffic device.

3 Improve workflows, optimize resources, and maximize efficiency.

4 Make better-informed decisions and prioritize enforcement based on data analytics from all your program components.

"For us, the data is really priceless. It is truly a force-multiplier."

– Sgt. Cooley, Cedar Hill Police Department

TraffiCloud®

See All Devices on a Central View

TraffiCloud® intuitive visual interface lets you see your entire program at a glance. Interactive maps provide a window to all device information.

Remotely Manage Traffic Devices

Stop wasting time driving to and from your traffic safety equipment only to monitor or update it. With TraffiCloud, you can do the following remotely, from anywhere, using any internet-connected device:

- Ensure that devices are on, properly functioning, and have adequate battery levels
- Change and update settings on all devices
- Design and deploy custom messages to one sign or multiple signs at once
- Schedule different messages for specific days and times
- Review, edit, print, and act on any useful images captured by devices

Set Alerts

Set up automatic text or email alerts for incidents like low battery levels, high speeds, tampering, new sites, and more. You have complete control over which situations warrant alerts and who will receive the notifications.

Generate Ready-Made Reports

TraffiCloud makes resolving complaints and sharing data easier than ever.

TraffiCloud automatically uploads new data into a centralized SAS70-certified environment daily, and you can quickly generate ready-made reports in an easily-sharable PDF format.

Create reports on-demand at any time or schedule them for regular delivery to your email inbox for maximum convenience.

Premier Care Warranty

With your TraffiCloud subscription, you'll also get a perpetual Premier Care warranty on all your All Traffic Solutions products.
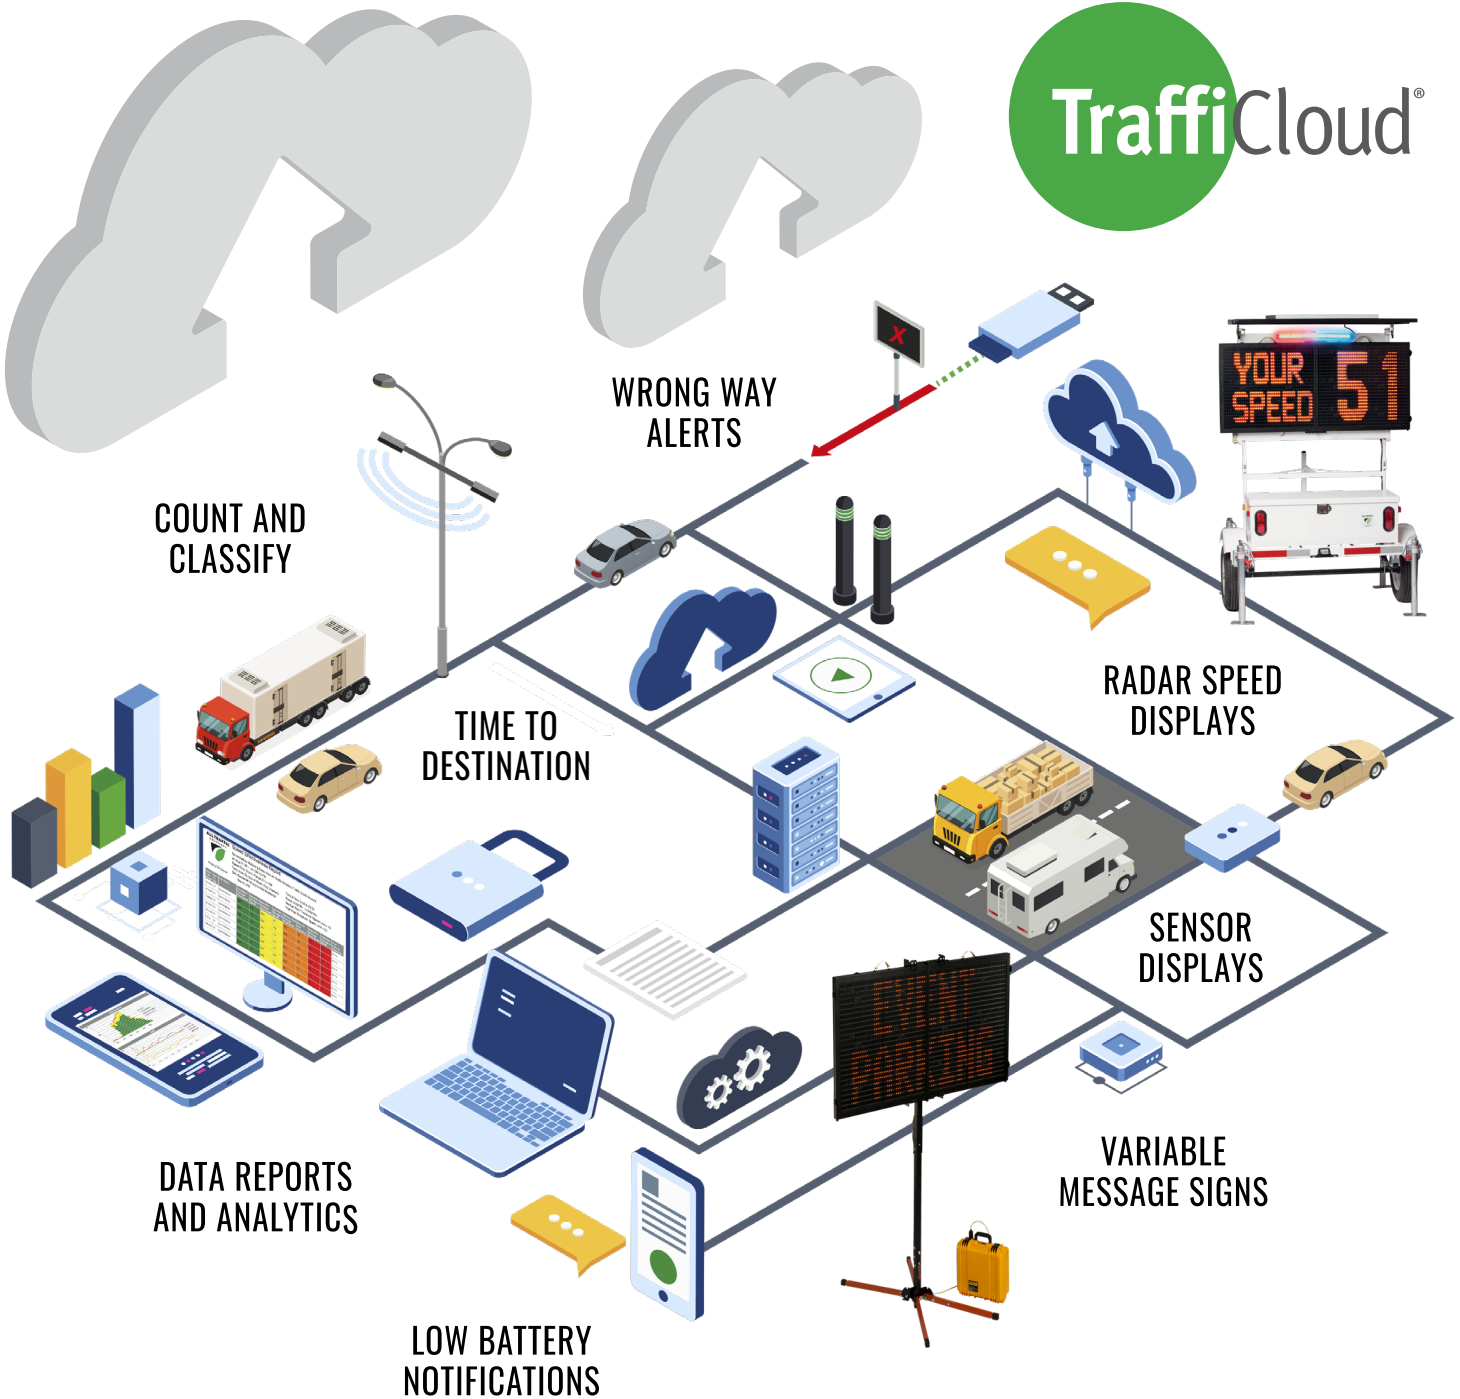

Premier Care gives you:

- Remote diagnostics and hardware defect repairs for the entire product lifespan
- 50% discount on repairs due to accidental damage or vandalism
- 50% off additional accessories for devices (brackets, batteries, etc.)

"TraffiCloud has been invaluable to us. It's the tool we will always use. Everybody's town is different, and there are many ways to use TraffiCloud for your particular traffic challenges."

– Sgt. Finfrock, Clarendon Hills Police Department
