SOLUTIONS

All Traffic Solutions MULTIPURPOSE TRAILERS

AllTrafficSolutions.com

MADE IN THE USA

COMBAT YOUR TOUGHEST TRAFFIC, PUBLIC SAFETY & MESSAGING CHALLENGES

With rugged, state-of-the-art trailers that are easy to maneuver as your needs change.

VERSATILITY

Our trailers can be used to calm traffic, share information, collect traffic data, resolve speeding complaints, support ALPR & surveillance cameras, and more depending on which All Traffic Solutions (ATS) signs and other equipment you choose to mount on them.

EASE OF USE

ATS trailers are thoughtfully engineered to be easy to use, transport, and deploy. The trailers feature a simple manual lever lift system for quick 1-person setup. No special equipment is needed to transport them— they can be towed by any size vehicle with a 2" receiver hitch.

RUGGED DURABILITY

Most ATS trailers are still in use after 10 or 15 years of year-round use. The continuous weld steel frame and marine-grade powder coat finish withstands heavy rain, snow, ice, and extreme temperatures without rusting.

SpeedAlert 24 on an ATS 5 trailer

InstAlert 24 on a surveillance-ready trailer

SpeedAlert 24 on a 380 ALPR camera-ready trailer

Shield 12 on an ATS 3 trailer
