Connected Solutions for Better Traffic Safety Outcomes

STATTRAK TRAFFIC DATA COLLECTOR

AllTrafficSolutions.com

EFFORTLESSLY COLLECT TRAFFIC DATA WHEREVER NEEDED

StatTrak is a discreet, cloud-connected traffic data collection device that makes it easy to run quick traffic studies. Record vehicle counts, speeds, and classification, and access your data remotely!

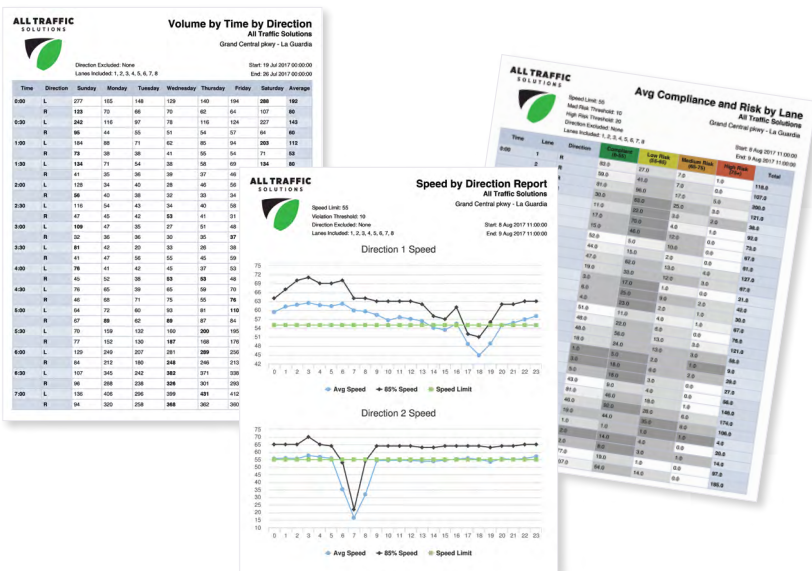

SIMPLE & RAPID DEPLOYMENT

The StatTrak vehicle counter and classifier is compact, lightweight, and easy for one person to install on a roadside pole in under five minutes. The device is easy to move around as needed to collect data in desired locations.

REPORTING & ACCESSIBILITY

Units with a TrafficCloud® subscription automatically upload data to our secure, user-friendly online portal. Log into TrafficCloud from anywhere to manage all of your All Traffic Solutions® devices and account sites in one place. Download customizable traffic reports that display your road traffic data in clear-cut charts, graphs, and tables. Export reports as PDF, Excel, CSV, or HTML files for easy sharing! Data can also be retrieved locally if desired.

BIDIRECTIONAL

One incoming/one outgoing lane
with unit mounted roadside

BIDIRECTIONAL MULTI-LANE

Two incoming/two outgoing lanes
with unit mounted on a median

UNIDIRECTIONAL

Two incoming lanes with unit
mounted roadside

VERSATILITY & RANGE

Collect accurate and trustworthy information on vehicle counts, speeds, and classification (small, medium, and large). Capture traffic data for up to four-lane roadways bidirectionally or for two lanes of traffic, moving in the same or opposite directions.

EXTENDED RUNTIME

The built-in battery pack provides up to two weeks of runtime and recharges fast, ensuring minimal downtime for your traffic counter and classifier. Traffic data collectors can also be solar-powered to achieve unlimited runtime!*

**Dependent upon weather conditions and device placement*

PRODUCT SPECIFICATIONS

STATTRAK

Weight: 3 lb

Dimensions:

6.8" x 4.8" x 5.3"

Runtime: Up to 2
weeks on batteries (or
longer with solar)

ABOUT ALL TRAFFIC SOLUTIONS®

Since our inception in 2000, we have helped over 6,000 government agencies, educational institutions, and private sector organizations manage traffic and improve overall safety.
